### Minutes of Meeting

#### **Secretary Report**

No report

#### **Treasurer Report**

No change, except Elm Dene Court donation of £50 (receipt required), Secretary to do Thank You letter and GT will deliver.

#### **Group Meeting Update**

JT, JW and RH attended.

JT reported back on tripartite meeting held the previous week:

- RH and Greg Mayhew to meet with architect to discuss how to take planning forward.
- Proposed budget: £850K for build + £250K for 'outside'
- It was suggested that the BBCA should have representation on Parish Council!
- The Parish Council stated that the BBCA would have to bid annually for a £5k grant (once the Centre is up and running).
- BBCA + Parish Council are to meet up to discuss layout and requirements for the site.
- It was stated that all decisions concerning the 'project' must be made by the Tripartite Group – not by individuals/individual groups.

#### **General discussion followed:**

It was confirmed that the BBCA will meet with the PC to iron out the requirements for the 'project' – the PC proposing what is required for the 'outside' and the BBCA proposing what is required for the Centre. Final decisions will have to be based on pot of money available and what facilities are more important.

It is projected that the cost of running the Centre will be around £15-20k.

Post planning we will require more information from local organisations concerning what their requirements will be for the Centre.

The question was also raised as to whether the survey's carried out by both the BBCA and PC are now 'out-of-date'?!

**AoB**

MP read a letter from GT. The letter stated GT's position regarding how he felt the project was now heading, he also stated his desire to resign from the BBKA. Following a debate GT was persuaded to allow the letter to be held on file for a 'couple of months'.

Next Meeting to be held in March following Tripartite Meeting.

Minutes from the above meeting agreed ..... Chairman.
